

**Urgent Update - Run Internacional 2018**  
**DATE CHANGE TBD**

October 25, 2018

To all our fellow runners,

We greatly appreciate your continuous support of this unique 10K run between our two countries. As you may know, this race requires a lot of coordination and collaboration from our local and federal authorities from both the United States and Mexico.

U.S. Customs and Border Protection (CBP) always has been very supportive of this binational event and is a critical stakeholder in making this happen. You may have heard that a caravan of Central American people is on its way to the U.S.-Mexico border. Based on the need of resources, CBP has requested we **postpone this year's race** to a later date in the next few weeks. A new date will be announced soon. Please be aware that you can still register for the race [here](#).

We will be providing updates on our website ([international10k.com](http://international10k.com)), our Facebook page ([facebook.com/runinternacional/](https://facebook.com/runinternacional/)) and by e-mail to already-registered runners on a weekly basis until we receive the green light from CBP to celebrate our Run Internacional 2018.

We apologize for any inconvenience this may cause to you. We hope you can still join us on the new to-be-announced date.

We appreciate your understanding.
